ANESI LAB

High performance cosmeceutical skincare manufactured by DRV-Phytolab, a dedicated leader in professional beauty for over 50 years.

Anesi Lab's innovative formulations are developed by our in-house specialist R&D department. Only proven active ingredients in the highest concentrations are used to create products that visibly improve the skin's appearance and have a positive physiological effect at a cellular level.

Our dedicated professional-only products and treatments are formulated with unique blends of concentrated actives and combined with signature massage protocols to deliver truly exceptional results. Our expert product range can be combined with electro-therapies for advanced aesthetic treatments.

Our comprehensive range of retail products are specifically developed for every skin type and concern to repair, balance and revitalize the complexion.

FACE CARE PRODUCTS

Effective Skin
Solutions

FRESH MIX JELLY

A PERSONALISED SKIN SOLUTION

Our skin is complex, unique and incredibly smart.

It has to adapt to the external environment and deal with internal influences such as stress and other lifestyle factors.

This can result in unpredictable skin behaviours in need of backup to quickly recover a healthy, happy complexion.

Fresh Mix Jellies are innovative skin boosters with a clever fresh-activation system to deliver potent active ingredients to care for our skin's unique needs.

Each Fresh Mix Jelly is formulated with a specific active ingredient and combined with Hydra-Gel for a powerful hydrating experience.

Hydra-Gel behaves like a reservoir to supply immediate and long-lasting hydration to revitalize the complexion, visibly improving skin radiance.

Unique Hydrating Jelly, Freshly Activated for Optimal Skin Benefits

Home Skincare

FRESH MIX JELLY

HA

FRESH MIX HYALURONIC ACID

■ VEANMJH20

ANESI MAN

METEORITE ESSENCE

ANESI Lab introduces an exclusive treatment from out of this world! For centuries, meteorites have fascinated scientists and now a new line of research has developed a revolutionary extract with outstanding results for the skin.

METEORITE EXTRACT with maximum concentration of 3 terrestrial minerals, Rhodochrosite, Olivine and Smithsonite, are combined with 2 vegetal extracts Spilanthes Acmella and Beech Bud extract, that work together to help skin firmness and renewal for a youthful complexion. This spatial ingredient is very rich in Calcium, Iron and Magnesium allowing a maximum level of skin permeability for impressive results.

Discover the restorative power of precious minerals and rare elements

Home Skincare ANESI MAN

MAN SECRET

REJUVENATING SERUM

■ VEANLMS050
50 ml BOTTLE

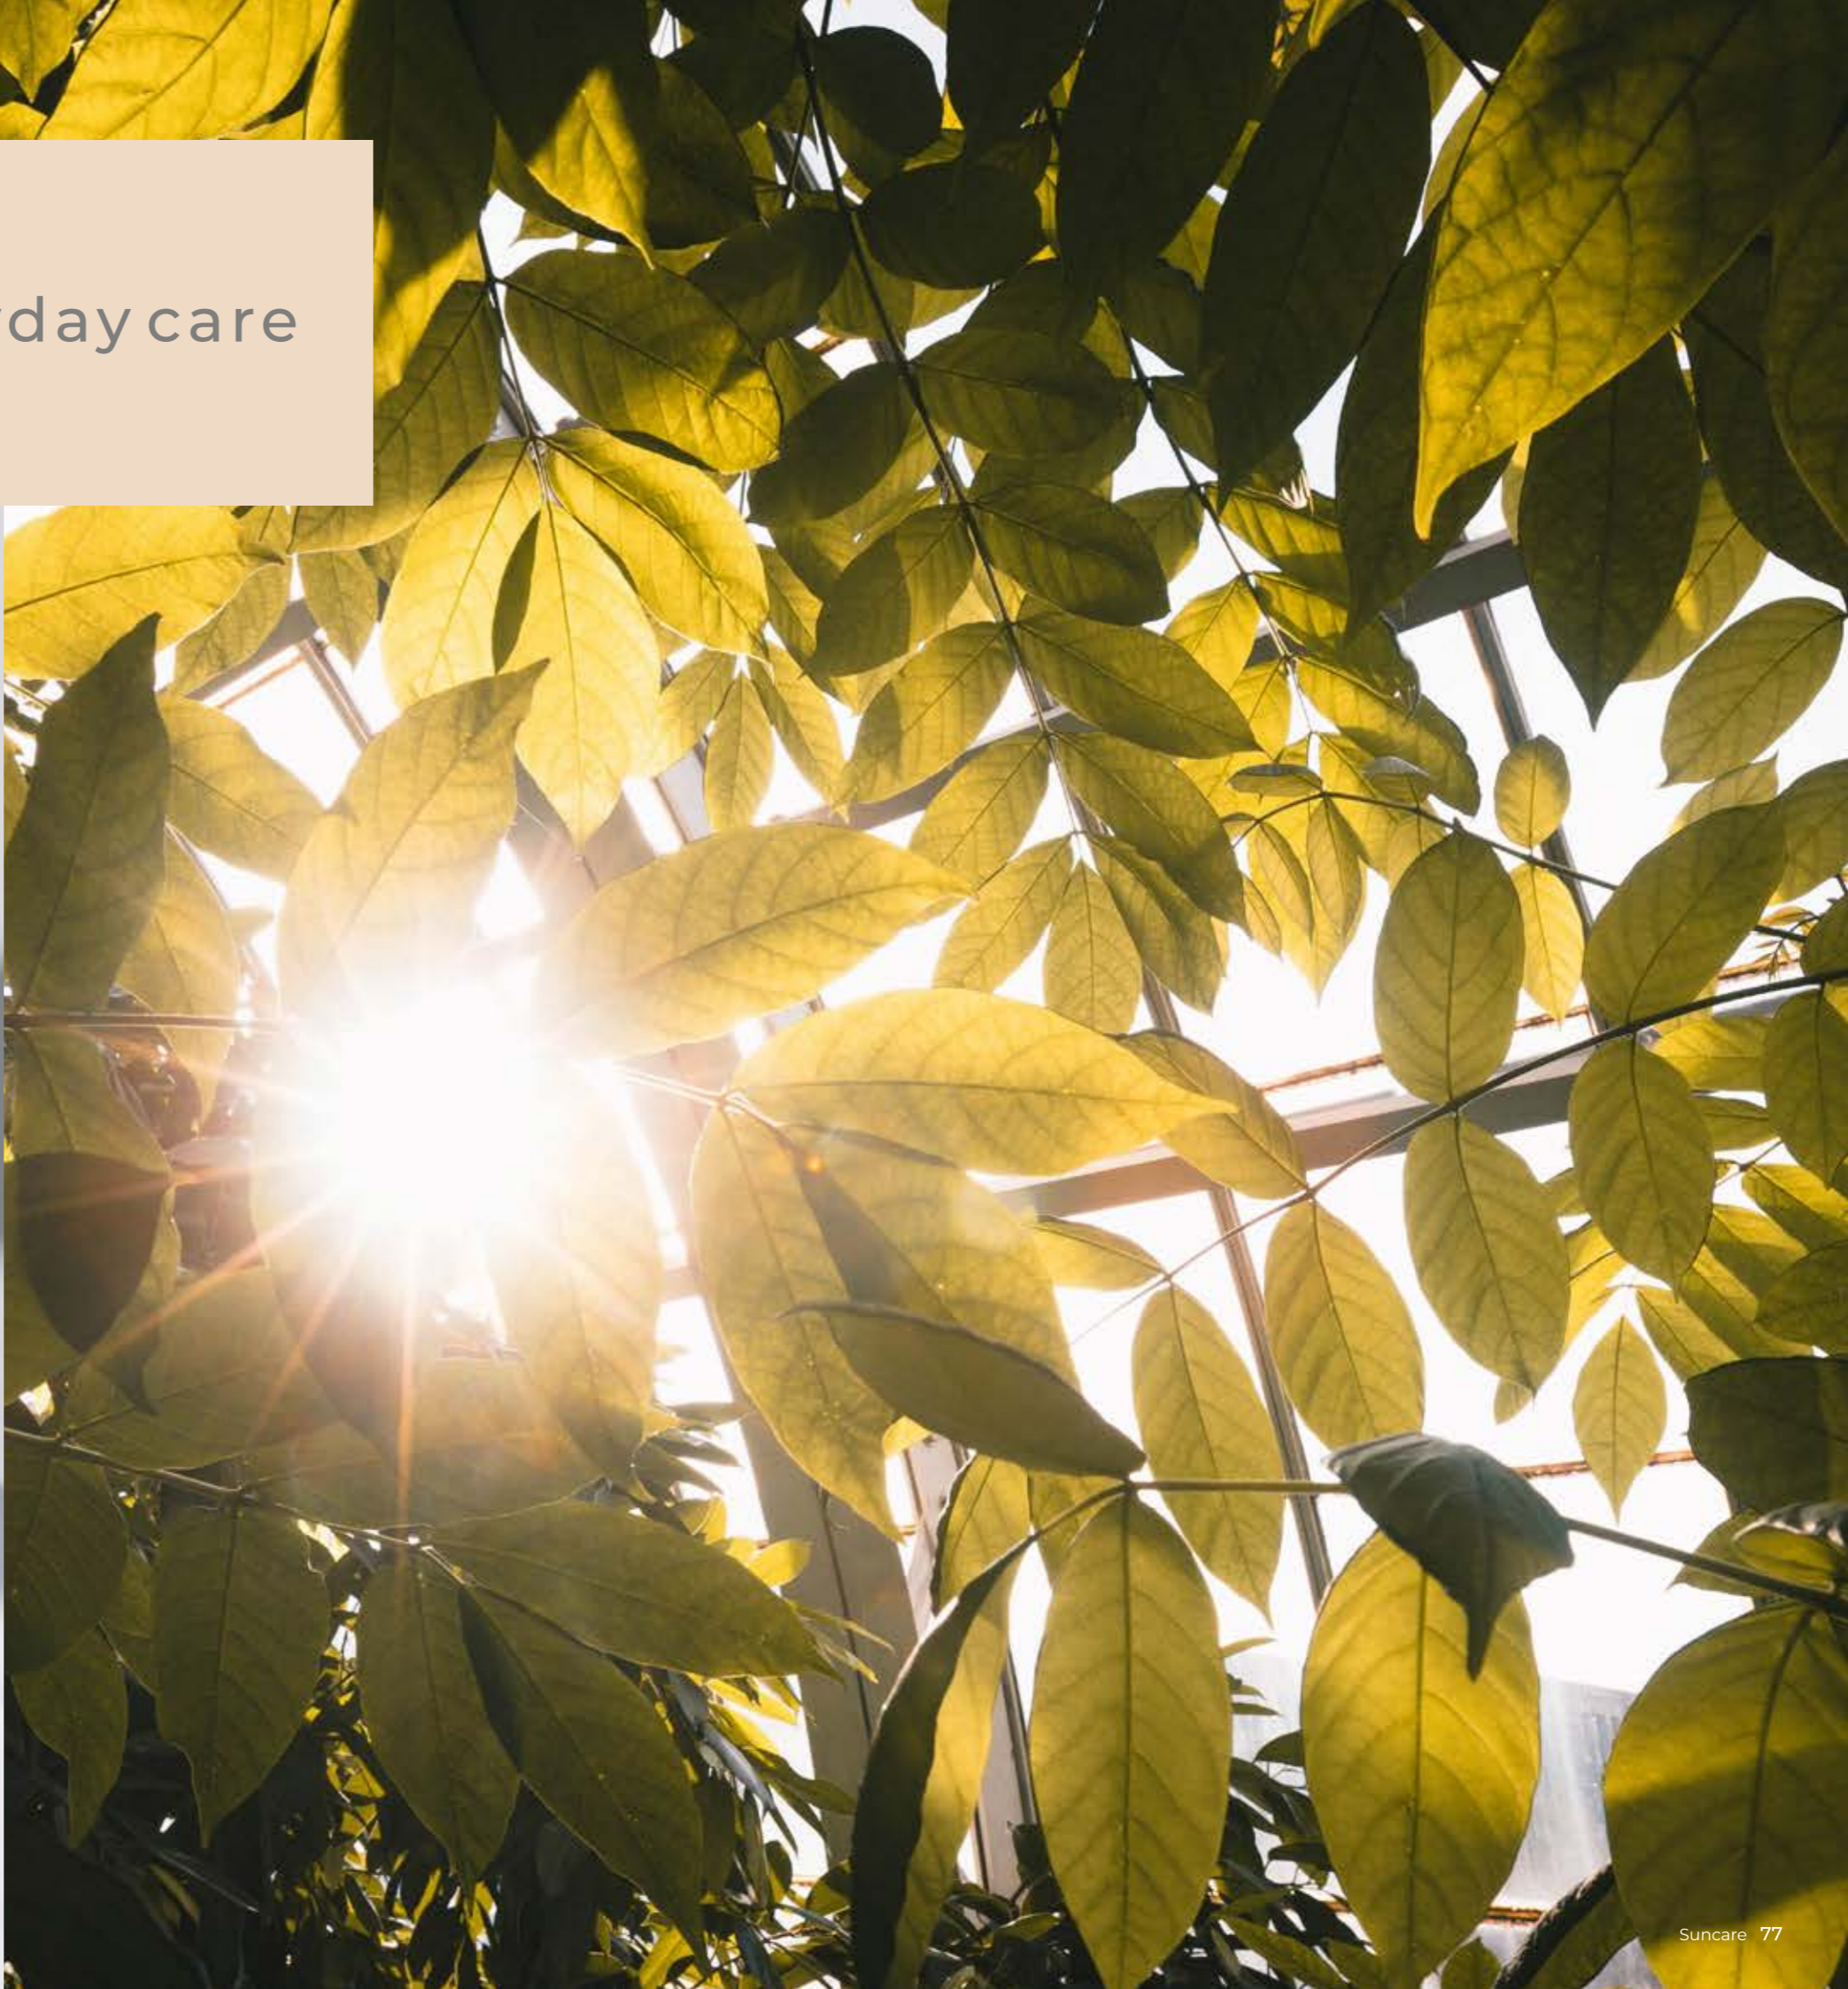

A refreshing and energising serum-cream especially developed for men's skin. Reduces signs of fatigue for a rejuvenated and rested fresh complexion.

Luxurious light-weight formula that quickly absorbs with no oily after-feel is ideal for daily care. Frescolat® provides a cooling effect, making it an ideal after-shaving treatment.

SUNCARE
